¹ If your plan includes credit reports, scores, and/or credit monitoring features ("Credit Features"), two requirements must be met to receive said features: (i) your identity must be successfully verified with Equifax; and (ii) Equifax must be able to locate your credit file and it must contain sufficient credit history information. IF EITHER OF THE FOREGOING REQUIREMENTS ARE NOT MET YOU WILL NOT RECEIVE CREDIT FEATURES FROM ANY BUREAU. If your plan also includes Credit Features from Experian and/or TransUnion, the above verification process must also be successfully completed with Experian and/or TransUnion, as applicable. If verification is successfully completed with Equifax, but not with Experian and/or TransUnion, as applicable, you will not receive Credit Features from such bureau(s) until the verification process is successfully completed and until then you will only receive Credit Features from Equifax. Any credit monitoring from Experian and TransUnion will take several days to begin after your successful plan enrollment. Please note that in order to enjoy all features in your chosen plan, such as bank account alerts, credit monitoring, and credit reports, it may require additional action from you and may not be available until completion.

² If your plan includes One Bureau Credit Application Alerts, two requirements must be met to receive said features: (i) your identity must be successfully verified with TransUnion; and (ii) TransUnion must be able to locate your credit file and it must contain sufficient credit history information. IF EITHER OF THE FOREGOING REQUIREMENTS ARE NOT MET YOU WILL NOT RECEIVE ONE BUREAU CREDIT APPLICATION ALERTS. One Bureau Credit Application Alerts will take several days to begin after your successful LifeLock plan enrollment.

³ Cloud Backup and Norton SafeCam features are only available on Windows.

⁴ Norton Parental Control features are not supported on Mac.

⁵ Locking or unlocking your credit file does not affect your credit score and does not stop all companies and agencies from pulling your credit file. The credit lock on your TransUnion file will be unlocked if your subscription is downgraded or cancelled.

¹ The LifeLock alert network includes a variety of product features and data sources. Although it is very extensive, our network does not cover all transactions at all businesses, so you might not receive a LifeLock alert in every single case.

² Reimbursement and Expense Compensation, each with limits of up to \$1 million for LifeLock with Norton Benefit Essential and LifeLock with Norton Benefit Premier and up to \$1 million for coverage for lawyers and experts if needed, for all plans. Benefits under the Master Policy are issued and covered by United Specialty Insurance Company (State National Insurance Company, Inc. for NY State members). Policy terms, conditions and exclusions at: lifelock.com/legal.

³ These features are not enabled upon enrollment. Member must take action to activate this protection.
